— WHO WE ARE

Dir Petroleum Services is Karachi's trusted supplier of fuel and lubrication solutions. We deliver refinery-direct high-speed diesel and genuine lubricants to factories, hospitals, schools, banks and commercial setups across the city — on schedule, day and night, with a verified challan for every delivery. No middlemen, no guesswork: every litre is measured on a digital flow meter in front of your staff, so you pay for exactly what you receive.

OUR VISION

To become Karachi's most trusted fuel and lubrication partner — powering the city's industries, hospitals, schools and businesses with on-time delivery and honest, transparent service.

OUR MISSION

To supply quality diesel and lubricants across Karachi with digital meter-based filling, verified challans and day-and-night delivery — so our customers never run dry and always know exactly what they paid for.

— CORE SERVICES

High-Speed Diesel Supply

Refinery-direct HSD for generators, vehicles and industrial use — consistent quality, transparent pricing, on-time delivery.

Lubricants & Engine Oils

Genuine lubricants and engine oils in the correct grades for diesel generators, vehicles and industrial machinery.

On-Site Fuel Delivery

Fuel delivered to your site — factories, hospitals, construction sites and schools — day and night, GPS-enabled tankers.

Fuel Storage & Tanks

Aboveground and underground tanks, free installation for monthly contract clients, safety protocols and regular checks.

Fleet, GPS & Monitoring

25+ GPS-enabled tankers with live location tracking and a live consumption monitoring system.

Contracts & Emergency Refills

Monthly contracts with scheduled deliveries, priority emergency refills and one clean monthly invoice.
